## First Annual Charity Run

Discover Family Dental & Dr. Tracy Jenkins are proud sponsors of the first annual "Discover the Difference" life run. We are supporting Rotary International in a service project to help teach midwives in local villages how to help newborn babies breathe! Training kits will be purchased and delivered to remote mountain villages where many babies are born not breathing and are presumed dead. With kits previously donated, hundreds of babies now survive just with a few simple tools and the training we provide. Please help our community make a difference by saving lives.

# DISCOVER THE DIFFERENCE LIFE RUN

May 20<sup>th</sup>

9:00 a.m.

Jensen's Grove in Blackfoot

There will be a 1 mile race  
and a 5k race.

## WHY IS A DENTIST SPONSORING THIS CAUSE?

Dr. Jenkins' son was born not breathing. As you can imagine, this was quite a scary and eye-opening experience. Thanks to an amazing trained medical team and prayer, the Jenkins family was able to bring home a healthy baby. Now, Dr. Jenkins would like to share this hopeful possibility with families across the globe. By delivering kits and sharing knowledge, we can work together to make sure that more parents can bring home their babies.

## HOW TO GET INVOLVED AS A SPONSOR

Sponsorships are available as listed. If you would like to get more information or to become a sponsor, please contact Rulon Olson (435)-668-0331 or Terri Snarr (208)-785-0878.

## HOW TO PARTICIPATE AS A RUNNER
