- ATV ordinance
 - Per Idaho State Code, you cannot ride an ATV on US highways (Bridge St, Judicial St, highway 91 and highway 26 as they're apart of Interstate 15). You can ride them on State Highways (Highway 39)
 - No data to support safety or dangers on riding them on highways or streets
 - Commission would need to hold a public hearing in order to make a recommendation to city council
 - Recommended we locate other cities ordinances to mimic
 - A better definition needs to be found on what would be allowed on ATV's ex: size, width, weight, tires, etc.
 - Motion made: Recommended that someone who has knowledge of the state code, refine it and add into our city code. – motion carried
 - Topic tabled for next meeting
