

Transportation Commission Minutes
August 23, 2023 @ 0800

Attendance: Mayor Marc Carroll, Police Office Manager KimberLee Arms, Lt. Myler, Scott Murphy, Curtis Cannon, Ronnie Murray, Paul Loomis, Leon Peterson, Dennis Parker, Michelle Kofoed, Julie Conan & Laurie Keyes

Called to order: 0800

Approval of July minutes: All in Favor

Old Business:

- Jensen's Grove Water
 - Channel cannot be dug deeper to allow water.
 - Mayor Carroll advised anyone who is interested can be taken down and shown the situation.
- LTHAC Fisher St Project Update
 - Walker to Judicial is paved and stripped.
 - A few painting issues and concrete areas that still need to be corrected and/or completed.
 - Phase 3 has started; all material has been removed and pit run and base are starting to be backfilled.
 - Center lane where double yellow line will have a 36" reflective delineator, they are on order.
 - New
- Kirk Dance Studio
 - City Council approved a stop sign being put in on corner.
 - Has already been placed.
- Modern Printing Fair Parking
 - Approved rescinding the reserved fair parking.
- Safety on Streets
 - Streets of concern
 - N. Meridian/Airport @ Jensen's Grove Entrance
 - Arrows still on order
 - N Meridian & Parkway EB/WB Traffic.
 - Thermoplastic has been ordered.

New Business:

- BHS Parking
 - The stalls are within the Code of 20 feet from a crosswalk.
 - BHS wants to propose selling parking passes on Fisher St.
 - Council agrees that is not private property and cannot happen.
- Melissa Nichols will be joining next month.
 - She is the Bus Transportation Supervisor for Blackfoot School District.

- Safety on Streets
 - N. Broadway & Judicial
 - Striping needs updated and cross bars only go halfway across the road.
 - Hillridge Ave
 - No longer a cul-de-sac and the cars going into the new subdivision have been speeding, endangering the kids in the neighborhood.
 - There is a sight differential coming up the hill.
 - Blackfoot Police will put the Speed Radar trailer in the area and encourage extra patrols in that area.
 - Contact Steadman about the speeding in the area.
 - Scott Murphy will make sure there are speed limit signs.
- New City updates
 - Starting a committee of citizens to review the comprehensive plan.
 - W. Bridge St. at the bridge is closed for drilling and should be done by the end of the week.
 - Phase 3 of the waste treatment plant has increased financially and will probably be broken down into more phases.
 - Maverick is still set to go in.
 - Honeybrook development proposed to P&Z a Medium Density zone & plan that was recommended to be approved to City Council.
 - Reduced the number of homes to 64 and added a park.
 - A hawk system will be added to Cromwell.
 - 4 Way stop at Cromwell & Pendlebury
 - Before the next meeting, Curtis requested that all members go to school zones and see the processes and traffic flow.
 - EISF look for ideas/suggestions to better parking for businesses in the future.

Meeting ended 0859 a.m.

Next meeting Scheduled September 27, 2023
