July 14, 2023

Dear City of Blackfoot Resident,

This letter is to inform residents of Blackfoot of a change in Residential Garbage Day pick up.

The Sanitation Department re-evaluated the routes for Garbage pick-up days for residential 100 gallon plastic cans. With the increase of population and new residential communities, we have had to make some minor changes to the routes to make it more efficient.

If you have and are paying for a 100-gallon garbage service, please see the back of this letter for your street to see if your garbage day has changed. The highlighted streets will be the streets affected. This will take effect on August 1, 2023. You can also go to our website www.cityofblackfoot.org to see a map under Departments, Public Works, Sanitation.

If you have any questions regarding your garbage pick up day please contact City Hall 208-785-8600 opt 0 or 2.

Thank you for your understanding and patience while we go through this transition. If you do get missed just call us and we will get you picked up.
